

Norma Shelly District 3 Spring Regional at Saratoga Springs, NY

Sunday, June 8, 2014

Deborah Wasik, Editor

The Norma Shelly Spring Regional at Saratoga Springs is named in honor of an extraordinary contributor to the game of bridge. For over 38 years, Norma Shelly ran the Studio of Bridge and Games in Schenectady, NY. This club was the hub of the Eastern Upstate bridge community, hosting many sectionals and other significant bridge events. Her influence also was crucial to the selection of Saratoga Springs as the site of District 3's annual Spring Regional.

Norma loved people and thrived on helping others. Most of all, she loved getting people started playing the game of bridge. To this day, we honor her with the Norma Shelly Novice Game - her baby - and by naming this tournament for her.

ACBL'S Sylvia Hardin Meets with Tournament Directors & Volunteers

Sylvia Hardin, Director of Human Resources and Organizational Excellence at ACBL Headquarters in Horn Lake, MS, arrived on Friday and spent the evening with the District 3 Board Members most involved with tournament planning and management. Saturday Ms. Hardin met with additional district members representing several units to present the ACBL's plan to increase the number of tournament directors and to provide them with more uniform support. Sylvia will continue to meet with the Saratoga Regional's staff of directors informally throughout the weekend. If you have a question or comment about improving the organizational excellence of the ACBL, please seek her out. She'll be happy to speak with you.

Deepest thanks to our army of volunteers headed by Fran Leary, our hardworking Tournament Chair. She and Pairing Chair Terry Bentley ran the "front end" like clockwork, welcoming players to the tournament, acquainting them with the area, answering questions and making all those critical partnerships. An equally heartfelt thanks to Linda Otness and Jill Marshall for keeping the refreshments flowing in the Hospitality Suite. We hope to see you all again next year.
